As a state-certified, duly registered and commissioned translator for the English language, publicly appointed and generally sworn by the President of Munich I Regional Court (Landgericht München I), I hereby certify that the foregoing English translation of the document submitted to me in the German language as a copy is correct and complete.
 Munich I Regional Court Reg. No. UE 131/91
 Munich, 15 July 2003

Sworn translator's signature and seal
 (Brigitte Ch. Müller, Hohenzollernstr. 13, D-80801 München)

Notice:

Please note that the translator used the term "stored" instead of the well recognized term "deposited" in the description (see e.g. on pages 8, 15, and 19) and claims 17 and 18. If necessary, please amend the description accordingly.

Further, the translator used the term "point of attack" instead of the possibly more appropriate term "target".
